Gardening for Wildlife

This is a good time to collect seaweed. Easy vehicular access to Marazion Beach and all you need are a few bags and a pair of rubber gloves.

A mixture of seaweed and leaves makes a brilliant garden mulch.

Wildlife Tip! Cold snaps are here! Look out for flocks of Golden Plover and Lapwings when the temperature drops.

Berriman's, our local farm shop on the Leedstown road, is now stocking milk from Trink Dairy. This is what they say about it: 'This milk is from Friesian and Jersey cows that graze the sweet, lush grass at Trink Farm, just outside St Ives. Owned and run by the Knowles family who proudly nurture both land and cows to ensure this milk tastes as it should, smooth, wholesome and full of dairy goodness. Non-homogenised and gently pasteurised'.

Film Club

Saturday 19th January

'Bride and Prejudice'

This film is a 'Bollywood' Classic and to celebrate we will be hosting a pre-film
Curry Night.

There will be a range of home-cooked food for a slap-up meal before the film. Food from 6.30pm—film at 7.30pm

No booking necessary for the film but if you wish to eat, the meal will cost £4 per person and is bookable with Sarah.

It is possible to eat and then leave before the film, or just watch the film and not eat.

To book a meal contact Sarah on sarah@davidchapman.org.uk or 07842201950. Please mention any dietary requirements.

Townshend Against Speed

Update: We are still awaiting a decision on the funding application from the Community Network. This will hopefully be decided in the New Year. Fingers crossed, as we submitted a very strong application.

Community Speedwatch training is in the pipeline. Please, if you are able to spare a bit of time each month then volunteer for this. Full training will be given by the police so if you haven't already contacted the team at Hayle Police, please do so via email on:

ciosnbmhayle@devonandcornwall.pnn.police.uk

It is imperative that we keep the speeding issues of Townshend in the forefront of all Parish Council meetings and the police. Please, please keep Councillor Jenkin informed of any anti-social driving or near miss that you witness.

There is a lot of work going on behind the scenes but we must keep pushing. There is a village, not a million miles away, that is also pushing for a share of funding and resources we must not let them shout louder than us!

Thank-you for helping us to achieve a safer village
